

“WHAT BRITISH COLUMBIA STUDENTS
ARE SAYING AFTER PARTICIPATING
IN BCSTH'S **VIP PROGRAM**”

**VIOLENCE IS
PREVENTABLE** **VIP**

everyone deserves
to feel safe

Abuse isn't ok!

To call 9-1-1
when my parents
are fighting

It helped me realize
to break up with
my abusive
boyfriend

this is the first abuse
presentation I've seen

It is my right
to say "no."
No matter how long
you've been together

PEACE
PROGRAMS

CHILDREN
& YOUTH

I WILL REMEMBER HOW MANY
PLACES I CAN GO TO FOR
HELP. IT SEEMS TO ME THAT
I'M LUCKY TO BE HERE

No one talks about it.
We need to make the world
a safer place for victims of
violence

SCHOOLS

VIP

I feel better about
myself

To take any kind of
violence seriously

**Respect
women**

I'll remember how to
identify abusive
relationships

I did not realize the
amount of kids who
witness abuse in BC

I REMEMBERED ALL THE
DIFFERENT WAYS TO
DEAL WITH STRESS OF A
VIOLENT HOME LIFE

Signs of abuse,
I recognize many of the signs
in my dad

if my parents fight it
isn't my fault (which I
didn't know before)

I think I will not
abuse my wife

That it is
preventable
